TRICK DOG TITLE APPLICATION

INSTRUCTIONS: Earn your ITD/ATD/ETD title by performing enough tricks for a Certified Trick Dog Instructor (CTDI), either in-person or by video. CTDIs have discretion to take into account the dog's age and characteristics. You may re-use a trick for multiple titles. Tricks must be taught with positive methods. Handler may not physically manipulate the dog into a trick. Each title must be earned in order; NTD is the prerequisite to ITD.

ITD: Treats/toys may be used as a lure on no more than 25% of tricks. Advanced and Expert tricks count as two tricks.

ATD and ETD: All off-leash. A pointed finger is OK, but no treat or toy lures. Handler may give multiple cues, but may not badger the dog, nor hover over or crowd the dog.

Masters Titles: NTD-M: 30 Novice tricks,

ITD-M: 20 Int tricks,

ATD-M: 10 Adv tricks,
